SUMMARY OF INTERVIEWS

Hon. Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

In response to the telephone interview conducted with the Examiner on July 7, 2009, Applicant submits the following summary. While allowability of the claims was not discussed, the undersigned indicated to the examiner that he believed that the amendment after filing a notice of appeal should be entered as it placed the claims in better condition for appeal and did not require further consideration or search. The Examiner indicated his disagreement and indicated that he would not enter the amendment.

In response to the personal interview conducted between the undersigned and Ex. Swearingen on August 18, 2009, all of the independent claims were discussed as to their general meanings and the general disclosure of the specification. The amended claims that were not entered were also discussed as to why those amendments would place the claims in better form for appeal. No

exhibits were shown, and no demonstrations were conducted. No agreement as to the allowability of the claims was reached.
